Helpers for Library Inventory

The NHE Library Inventory Project is just around the corner and our wonderful librarian Mrs. A needs helpers.

Hello NHE Community,
The NHE Library inventory is just around the corner and in addition to our normal awesome library volunteers, I am going to need all hands on deck for inventory starting in June.

I'd like to have shelf readers from June 4-8 and inventory scanners from June 11-15 (we may possibly need more the following week if it doesn't get finished)

I'm thinking we will need 2-4 shelf readers each day and then 2-4 for scanning each day, this number includes our normal volunteers.

Please sign up to help. [Here is the SignUpGenius Link](#)

Thank you!!!

Blythe aka Mrs. A.

Supporting Kids Through Tough Times Trauma Informed Care & Restorative Practices

How do we help our kids deal with the stress of modern challenges-from the isolation of social media and the impact of national tragedies, to racism, personal trauma, and more?

Join Bellevue Schools Foundation and CJ Ellsworth of Sea Mar Community Health Center for a discussion of what we can do as parents and community members who care about our youth.

- **Saturday, June 2, from 10-11:30 a.m.**

(light refreshments provided, childcare available)

Parents and community members who attend this event will learn about ways to better support children through our current challenging times, and how to reduce their stress by teaching their caregivers and support systems tools to help them through these issues.
