

Newport Height 2009 Auction:

Our Vision

The PTA is excited to announce this years “**2009 Under the Sea**” Newport Heights Elementary School Auction. This year the auction will be held on Saturday, March 21, 2009 at the Spirit of Washington Events Center.

The auction only happens every two years. Our PTA works with a \$35,000 annual operating budget to provide activities and services for our student community. The proceeds of the auction will be used to fund the next two years operating budget. Every child at Newport Heights will benefit from this auction. PTA supports assemblies, plays, field day, playground friends, pumpkin carving nights, festival of cultures and art docents, just to name a few.

Another goal for this years auction is to “**raise the paddle**” to raise funds necessary to enhance our playground equipment. Our PTA will be working with Mrs. Cannon-Kyte to ensure maximum return on investment.

The PTA is excited about the potential of the “**2009 Under the Sea**” Auction. This year has brought increased awareness to the funding challenges our schools’ face and emphasizes how vital an active partnership between parents and the school is in order to fulfill the obligation we as a community have to our students.

We are hoping that each family can get involved with the auction by volunteering, attending, advertising and/or donating. Donations can be items, services, getaways, gift certificates etc.

Please plan on attending the auction this spring and enjoy a fun community evening. We look forward to seeing you all there to support our children.
