Kick-off Event - Dads and Donuts

**** New Date ****

- January 24, 2017
- 7:30-8:30
- Grab a donut and coffee, visit with other Dads, learn more about Watch Dogs, and retrieve necessary paperwork.

Dads of Great Students

Watch D.O.G.S. (Dads of Great Students) is a national program that supports parents, particularly fathers coming into their child's school for a day.

Your time will be spent helping in the overall management of the students as well as having time in your child's classroom.

If you've been looking for an opportunity to be more involved with your child's NHE experience, this is your chance!!

We hope you will join us in the morning on January 24th for coffee, donuts, and a short presentation.

Sign up NOW for your day: [Click Here](#)

Questions? Go to [WatchDogs](#) or email us at president@nhe-pta.org

Please note: If you have not previously completed a Volunteer Application with NHE you MUST do so before you can volunteer at the school. This is a simple form that will take 5 minutes to complete and it will be available to you at this event. Please come prepared with your ID Card, as we will need to take a photo copy to send with your application.

After School Programs for Winter 2017

NEW Classes for all Students!!!

New programs will be added to NHE's after-school options!

Mondays: Coding with Kids

- Beginner- Intermediate (Grades 3-5) Starts February 6th 2:35-3:35pm , 9 sessions, \$179
- Do you play games and wonder how they are created? Would you like to build your own computer programs? Come learn how at the Coding with Kids Academy! In this fun after-school class, BEGINNERS will be introduced to the core concepts of computer programming, including loops, conditionals and variables. INTERMEDIATE students will move on to more advanced concepts, such as nested conditionals and functions with parameters. Using the Scratch development environment, you will learn how to create a variety of programs, from simple animations to multi-level games. With new projects each session, you will be able to express your creativity and advance as a coder!
- Register: www.codingwithkids.com/session/2250

Tuesdays: Yoga Club

- Grade 1-5, Starts January 24, 2:30-3:30, 8 sessions, Cost: \$135
- Introduction to the practice and benefits of yoga and mindfulness. Students will learn asana (posture) and pranayama (breath work), mindfulness, and meditation through fun and engaging activities, journaling, and more! Some of the benefits of yoga for kids include: improved body awareness, self-control, flexibility, and strength; release of tension and stress; increase concentration, focus, and attention span; and a greater sense of well-being and respect for others. Yoga mats, journals, and all supplies provided!
- Register: **Class is full - Register early for next session**

Wednesdays:

• Chess4Life

- Wednesdays: K-5, Starts February 1, 12:05-1:05, 8 sessions, \$129
- The Chess4Life After School Chess Club is designed for students of any ability. Our Chess Clubs are taught by certified coaches who tailor the curriculum to meet the needs of the students. Learning and playing chess at school provides a host of benefits including improved memory, problem-solving skills, an enhanced ability to think ahead, and potential performance improvement in math and science. We strive to ensure that all of our students learn life, improve at chess, and have fun.
- Register: www.chess4life.com

• Coding with Kids

- Wednesdays: K-2 Grade, Starts February 8, 12:15-1:15, 9 sessions, Cost: \$179
- Jump start your child's STEM education with Coding with Kids' Little Coders class! Students will develop their computational thinking skills and build their own creative programs. Our curriculum combines a blend of fun activities - both "on-screen" and "off-screen" - to keep students engaged and excited about coding. This class will give students a strong foundation on coding basics, such as loops and conditionals, that can be built upon in our other classes. Kids will be introduced to these programming fundamentals in a variety of ways appropriate for this age group, from coding puzzles and board games to hands-on programming using online drag-and-drop tools, such as Scratch (scratch.mit.edu).
- Register: www.codingwithkids.com/session/2249

• Smart with Art

- Starts February 1, 12:05-1:45, K-2 and 3-5 Grade, 8 Sessions, Cost: \$168
- Bite into Art with us this session as we design original works of art all relating to different types of cuisine! Students will create unique projects exploring a wide variety of mediums like printmaking, oil pastel, paint, watercolor, and collage. We will have a feeding frenzy over famous works of art and style while exploring new techniques. Learn how to draw a wacky self-portrait out of fruits and vegetables inspired by famous artist, Archimboldo. Paint and draw candy in the style of Burton Morris. Design your own watercolor food truck with a pop up side door. Create a painted air-dry clay on canvas board ice cream cone inspired by sculpture artist, Claus Oldenburg. Whatever your favorite foods are, whatever new foods you've

- tasted, or junk food you crave every student will salivate over these tasty art projects you'll get to create this session. And as always, Dress for Mess! [Join us for the session as the parent volunteer and get 75% off your child's tuition.]
- Register: smartwithart.net

Thursdays:

- **Lego Club**

- Thursdays: K-2, Starts February 9, 2:30-4:15, 8 Sessions, Cost: \$144
- Ratchet up your imagination with tens of thousands of LEGO®! Build engineer designed projects such as Motorcycles, Castles, Airplanes, and Monorails. Then use special pieces to create your own unique design! New and returning students can explore the endless creative possibilities of the LEGO® building system with the guidance of an experienced Play-Well instructor. There is no prerequisite for this course.

5th GRADERS - STRIKE A POSE!!

Help us make this years graduation slideshow fantastic by sending us a current photo of your child as well as your favorite baby picture of those cherished memories. Please take a little time to start searching for the following:

1. A baby or toddler picture of your soon to be graduate
2. Current picture of your child
3. Group pictures of our 5th graders through the years - from field trips, classroom parties, school events. Please no pictures of birthday parties, outside events or non-NHE 5th graders.

Photos can be digital or prints, however digital images are preferred.

ORIGINAL prints should be sent in an envelope to the attention of your child's teacher and will be returned by the end of the year.

DIGITAL images must be in a JPG file format with a resolution of at least 300 dpi or greater. A larger size and higher resolution will be better viewed on a large format screen. Email digital files to 5thgradeslideshow@nhe-pta.org

Please send pictures by early February and thanks in advance for your help! Questions? Contact Sara Terry and Sharon Levy at 5thgradeslideshow@nhe-pta.org

Bellevue School Foundation - Spring for Schools Luncheon

Mark your calendar for
Friday, March 24, 2017

Have you had a chance to attend Spring for Schools yet? If not, you've been missing out! Each spring, Bellevue Schools Foundation hosts a spectacular 1,000+ person Annual Benefit Luncheon to celebrate and support Bellevue students. Parents, friends, colleagues, and the community gather every year at this inspirational and fun event.

This year, we are excited to personally invite you to attend and get to know more about Bellevue Schools Foundation and the school district community. The event includes:

- Education Showcase--Arrive to the venue any time after 11 a.m. to see the many Bellevue School District programs that Foundation donors make possible, from Robotics and ground-breaking Computer Science education to music enrichment and VIBES volunteers.
- Inspirational speakers--students and staff will talk passionately about the personal impact of innovative and critical programs made possible by Foundation donors.
- A room full of 1,000+ like-minded people who share your passion for education!

Attending Spring for Schools with your Foundation Ambassador or PTSA representative is a great way to get to know and increase your connection within your own school community as well.

Learn more about the event and the Foundation at the [Bellevue Schools Foundation Website](#).

Thunderbird Little League

Registration is now open for Bellevue Thunderbird Little League. Boys and girls from age 5 and up can register to play Baseball or Softball in our T-Ball and upper divisions. The typical commitment is only two days per week from April - June.

Playing team sports has many benefits. It promotes both physical skills and an active and healthy lifestyle while helping to develop leadership through cooperation and teamwork. Team sports also

creates a sense of belonging and team membership through social interaction and helps in developing a child's self esteem, discipline, patience and perseverance. The most important goal of our league is that each child have fun and have an opportunity to bond with not only their teammates, but their parents as well. If you are interested in registering for the upcoming 2017 Spring season, please go to www.BellevueThunderbird.com and sign up.

Bellevue Thunderbird Little League is a non-profit organization committed to enriching the lives of our boys and girls and fostering a love of the game by providing a fun and safe environment in which to play baseball and softball, regardless of a player's ability.
