Give A Book donation

Would you like to give a book to a student at our school who otherwise could not afford one? We've set up a fund that goes directly to making the happen. With all money ultimately going to the NHE library, your donation accomplishes both things at once. Brighten a students day with the gift of a book, and support the NHE library at the same time.

Notables and Highlights

Bullying and prevention was again a topic

NHE Principals talked about:
Ways the school is educating the students about this.
Ways the school is handling situations when they occur.
How teachers and administration are working together.

GLAD training was also a topic

The Principals explained in more detail what GLAD training is.
How GLAD training is put to use in the classroom.
How GLAD training benefits all students.

Principal Cathy Leaver shared a new 5-Star Recognition Program

This program will take place in the lunch room.
It will be built upon the students learning the positive behaviors
that are desired for the lunch room.

As the students understand how to align their actions with the
expectations, the recognition piece comes into play.

The entire program is team-based.
Students will have the chance to learn how social
behaviors affect each of them individually, and how their
individual behavior affects their team and the society around them.

Support NHE as you shop during the holidays

The Amazon Smile program is an easy way to do this!

Shop through the [Newport Heights Elementary Amazon Smile portal](#)

- It's easy and effective. No extra giving, just shop like you normally would and our school gets a percentage of the profit from Amazon.
- 100% secure and all personal and account information stays with Amazon. The only thing the PTA sees is a check at the end of year.

Already shopping through the portal on your laptop or PC?

- Have you changed your Amazon icon on your mobile device to the Amazon Smile icon?
 - Even our PTA board members didn't shop through the portal very often until they made this change. Here are the [simple directions to do it.](#)
